**To provide you with an opportunity to learn more about the program, a parent preview has been scheduled for Thursday, January 18<sup>th</sup> at 4:30 at Oakridge Elementary School.**

This meeting will provide you an opportunity to meet with Planned Parenthood's educator, review the materials that will be used with your student and address any questions you may have. It's also a chance to pick up helpful resources to support you in discussing these important topics with your child at home.

School district policy and Oregon law allows parents/guardians to request that their child be excused from instruction. If you wish to have your child excused from any part of this unit, an alternative activity will be provided in another area. Please call the school at (541) 782-3226 between 6:00-4:00 and leave a message for David Gordon or Amanda Roberts if you would like more information.

Sincerely,

Oakridge Elementary School
